

Halloween Bar Graph Worksheet

Let's count the object and color the graph!

The worksheet contains 20 Halloween-themed objects: 7 blue mushrooms, 5 black witch hats, and 8 purple witch hats. To the right is a bar graph grid with a vertical axis labeled 1 to 10. Below the grid, three small icons (a purple witch hat, a black witch hat, and a blue mushroom) are shown as a key for the graph.

Object	Count
Blue Mushroom	7
Black Witch Hat	5
Purple Witch Hat	8
